Please inquire with the TIM Student Services office for more information.

L.J. Tamayo

WAIPAHAU, HAWAII

"With the guidance of the School of Travel Industry Management, there are numerous opportunities and resources available for students to utilize. Unlike other majors, as a TIM student, your career in the hospitality and tourism industry begins the moment you start your post-secondary [studies], guaranteeing a successful and experienced individual upon graduation."

Internships & Career Services

The School of Travel Industry Management requires undergraduate students to complete two, 400-hour internships for graduation.

Alumni mixers, employer on-campus recruitment, career fairs and networking dinners are offered annually to support students with their internship and career search. Additionally, our Internship & Career Development Director is available to assist students with resume & cover letter reviews, interview skill development, career exploration discussions, and more. Visit, tim.hawaii.edu/internships, for more information.

TIM students have fulfilled their internship requirements, or entered the industry upon graduation in all sectors of the visitor industry (including but not limited to):

- Hotels & Resorts
- Timeshare
- Club Management
- Restaurant Management
